Wama Software

207 Abhishek complex, Next to Kameshwar Mahadev mandir, Naranpura | Ahmedabad | India |
M: **+91 99133 24140 |**
E: **wama.sompura@wamasoftware.com|**
W: **www.wamasoftware.com |**

Instructions :

1. **You must have your own computer/ Laptop**
2. **Must have Internet connection**
3. **Shut down all your instant messaging tools (Skype/ messenger/ Email/ Facebook/ Whatsapp etc)**
4. **If you are using your personal laptop, please make sure that you have installed all your necessary software and programs before the examination starts.**
5. **You are required to comply with the directions given by the HR. If any query contact HR**
6. **Once you finish your practical you need to commit code in GIT and mail to HR informing about your task completion. Make your repository public and send us so we can review.**
7. **You need to submit your practical within 72 hours from the time you received email from HR for practical.**
8. **After finishing send 3 screenshots of your finished work in reply mail.**
9. **Keep your code committed and up to date every 2 hour**

Task :

1. **You can do this practical in any framework with Ajax**
2. **Need below table on page load.**
3. **We need Add / Update / Delete same as in below screenshot**
4. **Edit - Need inline edit in same row, not in form**
5. **Delete - Should delete only that particular row data, before delete should ask for confirmation before delete**
6. **Bulk Delete - Should only work if select checkbox is checked. Should delete all the row selected in select checkbox. Should ask for confirmation before delete**
7. **Add new - Clicking on add new, should hide current table and show add form. Needs to be done with Ajax.**
8. **Category dropdown - Categories should come from category table**
9. **Clicking on Save button - Should hide current form and show table. Needs to be done with Ajax**

Add new | **Bulk Delete**
